START

FIRE QUACKERS

QUACKERS

WADDLERS

Spectator Entrance

E 15th Ave

1 GET READY TO START

Head to the Start line on 15th Ave. and locate your Corral. Find the sign that corresponds with your age group: Fire Quackers (ages 10+); Quackers (ages 7-9); Waddlers (ages 6 and under, must run with adult chaperone). Direct your child to the appropriate Corral. All children running with a parent should be in the Waddlers Corral, regardless of age. There will be a staggered start with each corral starting a few minutes apart. After the start, head to the finish line through the North gates at Hayward Field.

2 CROSSING THE FINISH LINE

As kids cross the finish line, they will follow the path on the track to receive their finisher medals and race bag. They should then proceed to the seating section marked by the feather flag of the same color as their wristband to reunite with a parent or supervising adult. Wristbands for children & adults will be received at packet pick-up. Kids who ran with an adult, can exit with their chaperone into the stands.

3 PARENT REUNION AREA

Follow the signs to sit in your designated reunion area. Sit in the section corresponding to the color on your kids' wristband. Watch for your Duck to cross the finish line and wait for them to come to you after grabbing their race bag. A child must identify a parent or supervising adult to exit the track. Do not walk out on the track to meet your child.

i Information Desk / Lost & Found

For any event-related questions, lost & found or if you are separated from your child, go to the Information Desk.
