

AUTZEN STADIUM

1 GET READY TO START

Enter Autzen Stadium's South Entrance and head towards the starting line! All non-participating spectators should not be in the starting corral. Runners should line up in the corral that best suits their running abilities with faster runners in the front and slower runners in the back.

2 ONTO THE FIELD

After all waves have started, spectators should quickly enter the east tunnel and head to the field. Food and drink are not allowed on the turf. Once on the field, please clear the tunnel so runners can come through.

3 WATCH THE FINISH

Once your child has finished, please meet them in their colored reunion area near the west end zone. Runners will have a colored dot on their bib that corresponds with their reunion area. Do NOT enter the reunion area until your child has finished. Spectators who are not picking up a finisher will be kindly asked to leave the reunion area.

4 THROUGH THE TUNNEL

Please quickly head towards the Finish Chute through the West Tunnel after picking up your runner. Eugene Marathon staff will monitor the Finish Chute to ensure every child leaves with the correct parent or guardian. **Only ONE parent/guardian per child in the reunion area.** Other family members are encouraged to exit the field via the stadium stairs.

5 ENJOY THE FINISH FESTIVAL

After you've eaten your Krusteaz Pancake Breakfast, head back to the field for Run, Jump, Throw! courtesy of the City of Eugene. Take time to explore the awesome vendors, stretch it out and pose for a few Autzen Stadium pictures. You earned it!
